

ACTIONS FOR FEB 5, 2017

Our governor & legislature in AZ are **trying to limit AHCCCS (Arizona's Medicaid)**. A quarter of all Arizonans use AHCCCS and the state government is trying to put a five year limit on it and impose work requirements. This has failed before -- and it's never succeeded in any other state -- but **we need to give our opinion before February 28**.

Email publicinput@azahcccs.gov or use the mailing address AHCCCS c/o Office of Intergovernmental Relations; 801 E. Jefferson Street, MD 4200 Phoenix AZ 85034

Be heard! **Vouchers, school funding, making voter initiatives harder to get on the ballot, ...**

These bills affect your lives.

I want to hear what you think about them.

What about:

Changing the smoking age to 21?

Required recess?

Privatizing schools or prisons?

I'll hold these chats on various weekends. Stop back at this Fb Event to see the next one.

At times, a physical presence is the only thing that seems to count for anything. **At this particular time, when education policy is more about politics & profit than about a sound public education for each and every Arizona child, now is the time, however inconvenient, for your presence.** Unite for change and join for a Town Hall on K-12 education!
